## Mini Auto Trash Can

### Trash Away Auto Cup

End the days of the back seat drive-thru receipt toss with this 7" mini auto trash can. It fits in most cup holders, and even has a push-in top like a full size trash can to avoid spillage. It's the most convenient way to stash your trash while you're in the car! If you already have a clean vehicle, use this secure cup to hold pens, papers, change, parking tokens, or anything else you need to have close by when driving. Add your company logo or message on the lid to create a useful branded item that's sure to get plenty of use! Great for auto dealerships and retailers or any corporate functions that require giveaways. Some assembly required.

- Measures 7" h
